Downtown Details 2
May 2008

Can you locate these...

Take a walk through time in Davidson's local historic district! The Davidson Historical Society

has compiled these photos of architectural features of houses, public buildings and stores to see how many you can find! This exploration of downtown Davidson takes a brisk walker about 15 minutes.

But, please, take your time and have fun!

Discover the Details of Davidson...

Since the pictures are in no particular order, you may start your walk on Main Street anywhere from Depot Street to the south Main Street galleries. Look up...look across the street...don't overlook the obvious! When you find one of these features, write down its location.
